

PATCHOULI 3:11

By Erick Hovey

Patchouli
Stimin up my thoughts
Oh patchouli, Reminds me I forgot
And in the swirlin mists of time
Forget-me-not

Patchouli
Waftin through my mind
Ahh sweet patchouli, Waterbeds and wine
And I can see you yesterday
In my smokey mind

Patchouli
Extrasensory scent
When I'm driftin, In seas of sweet content
Always brings to mind
Certain friends of mine
