By Erick Hovey

Well I went to a party thirsty as I could be (2 times)
But I couldn't drive home cause my baby she had the keys

Well I ride shotgun, takin in the view (2 times)
She likes drivin, I like drinkin brew

CHORUS:

She's ' my, pop pop a soda pop girl (2 times)
She's ' my designated, carbonated, sweet lovin ride back home

Yea she drives me home, takes me all the way (2 times)
She can rev my engine till the break of day

Well if I don't come back, call my next of kin (2 times)
Ya know she takes me places I ain't never been

CHORUS:

Well I was drinkin, and drinkin, and drinkin, and drinkin, and drinkin
Too much Quervo Gold
Baby came to me said you had as much as you can hold

CHORUS:
