

BLUES AND LOVE 2:58

By Erick Hovey

Blues and love, gotta have that blues and love (2 times)
Get your lovin here on earth and your, blues from up above

Live your life, keep doin what you do (2 times)
Don't get a hole in your heart, or your soul broke in two

I will be nobody, nobody else for you (2 times)
I'm not in the game, just doin what I do
