

FOOD 3:24

By Erick Hovey

I need food for my body, food for my soul
I need some food before I'm dead
I need some candy for my head

CHORUS:

I need food (3 times)

I got food in the morning, food at night
I got food all around me
I've been starving all my life and

CHORUS:

I need food for my body, food for my soul
I need some food before I'm dead
I need some candy for my head

CHORUS:
