

**GONNA TELL** 2:20

By Erick Hovey

Oh well I told you once  
I told you twice  
Just what it takes  
To turn my heart to ice  
Well everything you do  
It's comin back to you

**CHORUS:**

Gonna tell your mama  
Gonna tell your papa  
Gonna tell your sister  
Gonna tell your brother  
Gonna tell everybody  
How you lied to me

Oh maybe I saw romance  
Now I see rain  
You gave me lovin  
Now you give me pain  
Well everything you do  
It's comin back to you

**CHORUS:**
