

**SHE'S ALRIGHT** 3:14  
By Erick Hovey

Well my baby, she's all right, yea my baby, she's all right  
Well she's long and lean just a little bit mean but she's all right

Hey, she's all mine  
Havin a fine time  
She's mean but never blue  
She's my friend and my lover too

CHORUS:

She's all right, yea she's all right  
Well she's long and lean, just a little bit mean but she's all right

Have a fine time  
With that woman of mine  
She's my major vise  
All because she's so nice

CHORUS:

She's mean but never blue  
She's my friend and my lover too  
Ask for 2, she give me 3  
She's all right with me

CHORUS:

Well my baby, she's all right, yea my baby, she's all right  
Well she's long and lean just a little bit mean but she's all right
