

WHAT YOU DOIN HERE 2:57

By Erick Hovey

Be a hero, Be a thief
Roll it over, Make it brief
Do you know, what you doin here

Stop the hunger, Find the peace
Play with fire, Earn a piece
Do you know, what you doin here

TURN AROUND:

Do You ever wonder why
We come all this way to die

On a mission, In a race
Teach a lesson, Stare at space
I don't know, what I'm doin here

Right a wrong, Write a song
Rock a cradle, Bang a gong
Do you know, what you doin here

TURN AROUND:

Save a penny, Save the race
Stop a freight train, Die with grace
Do you know, what you doin here

Be a burden, Be a rock
Be a leader, Join the flock
Do you know, what you doin here
