

WHATEVER IT IS 3:39
By Erick Hovey

When you signed that book, did you say a prayer?
Did you feel me standing there?
Did you think I looked like I did before?
Had you told me all, or was there more?

Am I dreaming or am I awake?
I'm dead, someone said, at the wake

CHORUS:

Whatever it is
Did you think that it would just go away?
Whatever it is
Big as life, bigger than death
Whatever it is
I could tell you weren't quit sure who I was this time
When you called my phone, why'd you sing that song of mine? Hmmm

Do you think that many called me a friend?
Do you think we'll do this all again?

Am I dreaming or am I awake?
I'm dead, someone said, at the wake

CHORUS:
