

WALK TO KEEP FROM CRYIN 4:20

By Erick Hovey

Walkin, got a long long way to go (2 times)
When I get there baby, you'll be the last to know

Pack my bags, put on my walkin shoes (2 times)
Yea I can't stop walkin, until I shake these blues

I'm walkin, walk to keep from cryin (2 times)
When I stop walkin, I can see your lyin

When I stop walkin, time just pass me by
Yea don't stop walkin, time will pass you by
And I keep on walkin, walk to keep from cryin

Yea I'm walkin, walk to keep from cryin (2 times)
And if I stop walkin, I can see your lyin
